

Joining hands for Social Development

**CHRISTIAN SOCIAL SERVICES COMMISSION
(CSSC)**

REQUEST FOR QUOTATION.

Background:

The Christian Social Services Commission (CSSC) is an ecumenical body established in 1992 by the Christian Council of Tanzania (CCT) and Tanzania Episcopal Conference (TEC) to coordinate and strengthen the delivery of health and education services by member churches in Tanzania. CSSC coordinates a network of more than 900 church-owned health facilities, the majority of which are rural-based, contributing nearly 14% of all health facilities in Tanzania, and 1000 Church-based education institutions providing 10% of all education services offered in Tanzania.

Ministry of Health, through Global Fund Cycle 7 (GFC7) Grant support, implements essential TB/HIV Community-based Program (Oct 2025 – Dec 2026) in support of the national effort to sustain and expand community HIV and TB services. The GFC7 community-based program is implemented in collaboration with Lead CSO – Christian Social Services Commission (CSSC) and four Sub-sub recipients (SSRs) - TAYOA, NACOPHA, MKUTA and STEPS. The GFC7 program focuses on the provision of community-based TB/HIV services across 185 councils. It prioritizes peer-led service delivery and integration with Local Government Authorities.

The main goals of the program are:

- Reduce new HIV infections by 85% (from 2010 baseline) by 2025.
- Reduce mother-to-child transmission (MTCT) to <4% at the end of breastfeeding by 2025.
- Reduce AIDS-related deaths by 80% from the 2010 baseline.
- Reduce HIV-related stigma to <5% by 2025.
- Reduce TB incidence and mortality through enhanced detection, treatment, and prevention.
